

Struer, March 23, 2020

*The Danish Ministry of Education allows schools to charge the payment for residence, even though students cannot make use of the offer to reside at the boarding school.*

*We therefore ask that you pay the residence fee according to the current regulations.*

*Struer Statsgymnasium's management is awaiting the development of the situation. Subsequently there will be a message about the payment of residence fees for the remainder of the school year.*

*Head of school*
